Brazoria county is offering free water sampling. I suggest all the county websites are checked.

FREE WELL TESTING FOR BRAZORIA COUNTY RESIDENTS

The Brazoria County Water Lab will **waive the testing fee** for Brazoria County residents. Water samples will be tested for coliform and ecoli bacteria.

Please contact the Brazoria County Water Lab at **979-864-1628** for instructions on proper collection of water samples and to obtain appropriate supplies.

The Brazoria County Water Lab is located at **409 East Orange, Angleton, Texas 77515**

Open Monday - Friday from 8 A.M. - 6 P.M. and Sat. - Sunday 8 A.M. - 4 P.M.

Water from wells must be collected using a sample container provided by the Brazoria County Water Lab. Instructions will be provided from the lab on collecting water samples.

Questions or concerns, call before coming!

Subject: Private Domestic Drinking Water Wells Sampling

Good morning Greg,

We are working with Troy Ritter with PHS/CDC who is cc'd on this email. He is looking for a Texas DSHS contact who is available today to coordinate on a potential FEMA mission assignment request regarding the sampling and analysis for private domestic drinking water wells. Any contacts or information you can share is greatly appreciated.

Thanks so much.

Taim.
